Nellore, Andhra Pradesh | +91 9908238544 | mekalanagendrababu2003@gmail.com | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Full Stack Developer with hands-on experience building scalable, responsive, and user-friendly web applications using React.js, Next.js, Spring Boot, and MySQL. Skilled in end-to-end ownership of projects from development through deployment, with strong grounding in REST API design, database integration, and secure authentication. Self-taught and adaptable, with a track record of delivering clean, maintainable code in cross-functional and hybrid team environments.

TECHNICAL SKILLS

Backend: Java, Spring Boot, REST API Design & Development, Authentication & Secure Configuration

Database: SQL, MySQL - Schema Design, Query Writing, Backend Integration for Transactional Data

Frontend: React.js, Next.js, JavaScript, HTML, CSS, Tailwind CSS

Practices: Clean/Reusable Code, Git Version Control, Cross-Functional Collaboration, Hybrid Team Workflows

Soft Skills: Communication, Adaptability, Teamwork, Problem Solving, Leadership

PROFESSIONAL EXPERIENCE

Full Stack Developer - RideALott Software Solutions

September 2025 - Present

- Developed and maintained full-stack web applications using React.js, Spring Boot, Next.js, and MySQL, delivering responsive and user-friendly interfaces.
- Built a single-page React portfolio website featuring smooth-scrolling navigation, modern UI design, and fully responsive layouts.
- Contributed to ShopALott, an e-commerce platform, developing modern UI components, product management features, and optimized frontend performance.
- Implemented responsive pages and seamless navigation for RideAlott, a transportation platform, improving overall user experience.
- Implemented authentication, backend integration, and database connectivity to ensure secure and efficient application performance.

PROJECTS

Expense Tracker

- Developed a full-stack Expense Tracker application using Spring Boot, React.js, and MySQL.
- Implemented CRUD operations to add, update, delete, and manage daily expenses.
- Built RESTful APIs for seamless communication between the frontend and backend.
- Added monthly and yearly expense tracking with data filtering and reporting.
- Integrated MySQL database using Spring Data JPA for efficient data management.

ShopAlott - E-Commerce Application

- Developed a responsive e-commerce web application using Java, Spring Boot, React.js, HTML, CSS, JavaScript, and MySQL.
- Implemented product listing, category navigation, and optimized UI components for improved user experience.
- Built reusable components with clean UI design to enhance maintainability and scalability.

RideAlott Web Application

- Developed responsive web pages and interactive UI features for a transportation/service booking platform.
- Implemented smooth navigation, mobile-friendly layouts, and performance optimization techniques.
- Enhanced user experience by building modern and visually appealing interface components.

Edualott Web Application

- Developed a responsive EduAlott web application using Next.js, React.js, HTML5, CSS3, and JavaScript.
- Designed Home, About, Services, Projects, and Contact sections with a futuristic UI theme.
- Built modern, user-friendly interfaces with responsive layouts for seamless use across desktop and mobile.
- Collaborated with the development team to implement reusable components and improve UI consistency.

Employee Management System

- Developed a full-stack Employee Management System using Spring Boot, React.js, and MySQL.
- Designed RESTful APIs using Spring Boot and integrated them with the frontend.
- Used Spring Data JPA and MySQL for secure and efficient database operations.
- Built a responsive user interface with HTML, CSS, and JavaScript.

EDUCATION

B.Tech (ECE) - Audisankara College of Engineering & Technology, Gudur <i>CGPA: 7.58</i>	<i>2020 - 2024</i>
Intermediate (MPC) - Priya Dharshini Jr. College, Atmakur <i>CGPA: 8.11</i>	<i>2018 - 2020</i>
SSC (BSEAP) - Z.P.P High School, Revur <i>CGPA: 7.7</i>	<i>2017 - 2018</i>
